

SPOKANE WASHINGTON NORTH STAKE
Temple Focus for 2016

Goal: All Family File Names by 2017

- Each ward will have 1 active Adult Family History Consultant for every 50 families.
- Each Adult Family History Consultant will meet with one family each week to teach and train in the use of Family Search to prepare names for temple work.
- Each ward will also call Youth Family History Consultants as needed.
- Each ward will have a designated person to hold excess family file names that other ward members can take to the temple.
- Youth Baptisms will consist of only family file names.
- Each ward will be asked to fill six initiatory and six sealing sessions each year.
- Each ward will have a minimum of two youth baptism sessions each year.
- Members will also be encouraged to take advantage of the open family baptistry sessions.
- As needed, additional shifts will be added to the Stake Family History Library.
- Our ultimate desire is for every member to take their own family file names to the temple.

“Behold, I will turn the hearts of the fathers to the children, and the hearts of the children to their fathers.” Let’s make the Spirit of Elijah an active member of our stake!
